PRODUCE **250**  
GARMENTS A DAY ON A  
SINGLE HEAD!

- 1 Place your order with us, 3 days later a sample image is emailed for approval
- 2 Once approved, badges are delivered to you in 2 weeks
- 3 We email over the template, apply with your embroidery machine to garments.

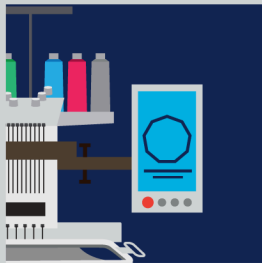

## INCREASE PRODUCTION WITHOUT ADDITIONAL MACHINERY

a quick & easy process, giving your single head  
the advantage of other multiheads using our  
embroidered, woven or printed badges

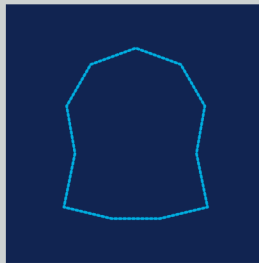

### APPLIQUE INSTRUCTIONS GUIDE

1. Frame up your garment as normal and place on machine

2. Load supplied applique template

3. Start machine, allowing it to complete a run stitch outline as a positioning guide, then stop the machine once the positioning line is complete

4. Spray the rear of the badge with a temporary spray mount and place over the embroidery run stitch guide

5. Restart the machine, which will do a zigzag stitch holding the badge in place, followed by a satin stitch which hold the badge permanently in place

LOW MINIMUM OF JUST 50PCS | PRODUCE GARMENTS QUICKLY & EFFICIENTLY  
IMPROVING QUALITY, TURNAROUND & PROFITABILITY
